

CHAPTER 5

TRIBULATION FAKE NEWS

First and foremost, no matter what the correct interpretation is of this very complex and hidden passage in Daniel Chapter 9,

there will NOT be a seven-year cataclysmic nuclear holocaust tribulation to destroy the people of the earth. Period.

We know that, because our LORD is coming to RESCUE humanity from the Beast and False Prophet, NOT to DESTROY humanity! Spoiler alert! At the end of the book of Revelation, John shows us that the Beast and False Prophet are cast out! And then John shows us there will be peace on earth for 1,000 years. That promise is all throughout Scripture, as well as in the prayer our LORD taught us,

“Your kingdom come, Your will be done ON EARTH as it is in Heaven.”

Even though the cataclysmic destruction of earth and its inhabitants is a widely-held view, **it is not correct.**

That false teaching comes in large part from a faulty interpretation of Daniel 9:27.

“And he shall confirm the covenant with many for one week; and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate.”

The modern teaching is that the Anti-Christ is the one spoken of in verse 27 who will confirm a covenant with many for one week (seven years). I strongly disagree. The LORD Jesus is the

one in this verse who confirms the covenant with His people.

Daniel was told, *“shut up the words, and seal the book, even to the time of the end.”* (Daniel 12:4)

It is no surprise that these passages have been misinterpreted. God sealed them from our understanding, likely to throw off the enemy. But the time has finally come for these prophecies to be unsealed.

I will attempt to give my best understanding of this complex, misunderstood passage. As always, future will prove past.

In attempting again to “unseal” this passage, I have read and heard many interpretations. None have stood up to scrutiny. But as I was searching and asking the LORD to guide me (and my Freedom Force Battalion was praying also), I got some really good clues. I think I’ve got it! Or at least, I’m closer. As I mentioned before, in order to understand the prophecies, we **MUST** use our understanding not only of God’s Word, but also of the Hebrew festivals and of Biblical astronomy. Here’s what I discovered. First, let’s read Daniel 9:24-26:

24 “Seventy weeks are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy.

25 Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be seven weeks, and threescore and two weeks; the street shall be built again, and the wall, even in troublous times.

26 And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined.”

Notice the passage talks a lot about WEEKS. What should that remind us of? Those weeks are definitely NOT typical seven-day weeks. So what would an Israelite think of when they read “weeks”?

The Festival of Weeks! JUBILEE!!

The Festival of Weeks is celebrated during the seven weeks between Passover and Shavuot (Pentecost). During the “Festival of Weeks,” each day, the omer (barley) is counted. After counting for seven weeks, a total of forty-nine days, the Day of Shavuot (Pentecost) arrives!

“From the day after the Sabbath—the day you bring the bundle of grain to be lifted up as a special offering—count off seven full weeks. Keep counting until the day after the seventh Sabbath, fifty days later. Then present an offering of new grain to the Lord.” (Leviticus 23:15-16)

There is a special celebration on the 50th day. We know that day as Pentecost, when the Holy Spirit was poured out on the disciples. This day represents blessing and plenty!

And get this! Every **seventh** Shavuot/Pentecost **everybody gets a vacation!** Remember **“7”** and **vacation!**

*“For six years you may plant your fields and prune your vineyards and harvest your crops, but during **the seventh year the land must have a Sabbath year of complete rest.** It is the Lord’s Sabbath.” (Leviticus 25:3-4)*

Did you catch that? An **entire year of vacation for everybody!** The LORD set this up to prevent the criminals from enslaving the people. He does not intend for us to work our lives away. He wants us to LIVE! To have PLENTY! To have time to enjoy our families and not be a slave to any cabal!

And then... the Big Daddy Celebration of them all comes... **the JUBILEE!!** Check this one out!

*“In addition, you must count off seven Sabbath years, **seven sets of seven years**, adding up to forty-nine years in all. Then on the Day of Atonement in the fiftieth year, blow the ram’s horn loud and long throughout the land. Set this year apart as holy, a time to **proclaim freedom throughout the land for all who live there.**” (Leviticus 25:8-10)*

Every 50 years, the Jubilee is to be celebrated! That means all debts are canceled, captives are freed, property returns to its original owner, and the land rests! Doesn’t that sound wonderful?! Yes, it sounds amazing for the regular people who are in debt-slavery and under tyrannical oppression. But... sad to

say, Jubilee has not been celebrated Biblically. Why didn’t the Israelites observe Jubilee? The “elite” always kept everyone in debt slavery, and never allowed the Jubilee to be celebrated as the LORD prescribed. There was no way the big wigs would cancel the debts and return the property they had stolen! That was a major reason the people were taken captive into Babylon. The captivity **broke the power** of the “elite” in Jerusalem. When Daniel received this prophecy, the land of Jerusalem was at rest for 70 years because of all the prior years the Jubilee WAS NOT KEPT! So the LORD forced a sabbatical for the land.

So what does Jubilee have to do with the Daniel 9 prophecy? Remember how many times it said “weeks”?

SEVEN “WEEKS” IS A JUBILEE!

Did you catch that? That is a huge clue to unlocking Daniel 9! And we wouldn’t clue into it, if we didn’t know and keep the “Festival of Weeks”! So let’s read the prophecy in light of understanding “weeks.”

In verse 24, the LORD told Daniel there would be 70 “weeks” before the captives would return to Jerusalem. The LORD was talking about much more than just returning the captives in Babylon to Jerusalem. He was talking about **all of captive humanity being set free!**

Get what our LORD was saying. There would be

70 “weeks” = Ten Jubilees

to get rid of the evil empires that run the earth.

“Seventy weeks are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy”. (Daniel 9:24)

At first glance, it looks like it would take 500 years for this prophecy to be fulfilled when the Messiah came. That was excruciating news for Daniel to take in. But we know the truth is that even when our Messiah came, that was not the end of the

evil empires. Let's keep unlocking this mysterious prophecy. Regarding verse 24,

Did Jesus finish the transgression? Yes and no.
 Did Jesus make an end of sins? Yes and no.
 Did Jesus make reconciliation for iniquity? Yes and no.
 Did Jesus bring in everlasting righteousness? Yes and no.
 Did Jesus seal up the vision and prophecy? Yes and no.
 Did Jesus anoint the most Holy? Yes.

Of course, I would never take anything away from what our LORD Jesus did on the cross. In a major way He accomplished all these promises above. But in His first mission, He did not destroy the evil tyrants who rule the earth. He did not assume His role as King and begin to reign on earth. He did not finish. He told us to go disciple the entire world. And when we were finished, we would kick out the Beast and False Prophet cabal together. That, my friends, is happening at the time of this writing! Promises Made. Promised Kept. KEK.

Next, let's break down verse 26 with the understanding of Jubilees and "weeks."

"Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be seven weeks, and threescore and two weeks: the street shall be built again, and the wall, even in troublous times."

NOTE: For clarification, here is the same verse, but I re-ordered the numbers of weeks in verse 26, respective to the nouns they modify:

"Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem shall be seven weeks, and unto the Messiah the Prince, threescore and two weeks (62 weeks)."

What if the first "seven weeks" (seven "7"s) was the first Jubilee to be celebrated after the Babylonian captives returned to Jerusalem and rebuilt the city?

And then the Messiah would enter Jerusalem after nine more Jubilees (63 weeks = 9 "7"s)?

Remember,

"Festival of Weeks" = Annual Spring Harvest Celebration = "Festival of Firstfruits" = "Counting of Omer" for 49 days from Passover to Pentecost (aka Shavuot) on the 50th day.

a "WEEK" = 7 "Festival of Weeks" = 7-year period = "7" = "Vacation"

a "JUBILEE" = 7 "WEEKS" (7 7-year periods) = "50" = 50th Year = Restoration

Here is a chart of the 10 Jubilees in Daniel's prophecy:

7 "WEEKS" (1 7-yr period)	70 "WEEKS"		
63 "WEEKS" (9 7-yr periods)	(10 JUBILEES)	CELEBRATE?	EST. YEAR
Edict Marker = 7 "weeks"	Jubilee 1	Edict to Rebuild	~467 BC
*1st "7" = 7 "weeks"	Jubilee 2	Nehemiah's Jubilee	~417 BC
+ 2nd "7" = 14 "weeks"	Jubilee 3	NO JUBILEE	367 BC
+ 3rd "7" = 21 "weeks"	Jubilee 4	NO JUBILEE	317 BC
+ 4th "7" = 28 "weeks"	Jubilee 5	NO JUBILEE	267 BC
+ 5th "7" = 35 "weeks"	Jubilee 6	NO JUBILEE	217 BC
+ 6th "7" = 42 "weeks"	Jubilee 7	NO JUBILEE	167 BC
+ 7th "7" = 49 "weeks"	Jubilee 8	NO JUBILEE	117 BC
+ 8th "7" = 56 "weeks"	Jubilee 9	NO JUBILEE	67 BC
+ 9th "7" = 63 "weeks"	Jubilee 10	JESUS CUT OFF	17 BC
			33 AD

The more I think about it, the more I'm sure "weeks" in Daniel 9 MUST be talking about Jubilee "weeks." It might take a minute for us to wrap our heads around the terminology of "weeks" and Jubilees. But it very important, and was intended to protect us from the cabal. Here is what the LORD said His purpose for these festivals is:

"If you want to live securely in the land, follow my decrees and obey my regulations. Then the land will yield large crops, and you will eat your fill and live securely in it." (Leviticus 25:18-19)

If the people had kept Jubilee, the tyrants would never have got-

ten a foothold. The people would have never become enslaved. I feel like a kid who didn't pay attention when my mom told me not to touch the hot stove. Humanity should have listened... and obeyed. Instead we all became slaves.

So, back to Daniel 9.

"And after threescore and two weeks (62 weeks) shall Messiah be cut off, but not for himself: and the people of the prince that shall come shall destroy the city and the sanctuary;"

What if Jesus was "cut off" from celebrating Jubilee, and he was stopped from setting the people free from the tyrants? I think we are on to something! It would not surprise me that the power players killed Jesus to stop the Jubilee. I bet the government and religious leaders thought Jesus was going to fulfill Daniel 9! They thought He would restore to the people everything the "elite" had stolen from them! They would never allow that! So Jesus was killed on Passover, only 50 days shy of Pentecost/Shavuot. This would have been the 10th Jubilee, as foretold in Daniel 9.

Jesus entered Jerusalem in the Triumphal Entry ready to take His power and rule, but the people were not ready to take down the evil rulers, and Jesus knew it. Jesus was cut off (crucified) before He could set the people free. He knew this was the plan from the beginning, and that is why He set us to work making disciples to the uttermost part of the world. Instead of setting the people of Jerusalem free, Jesus sent the Holy Spirit on Pentecost to infill and empower the disciples to begin to set the whole world free!

What does the prophecy say happens next? It says,

"the people of the prince that shall come shall destroy the city and the sanctuary".

The evildoers (people of the prince of the power of the air) would destroy the city, the temple, whatever they had to destroy, so no one could ever celebrate the Jubilee! They will destroy everything to keep the masses enslaved and their power

intact. With what we know about the evil empire cabal, that sounds EXACTLY RIGHT!

Ok... ready for verse 27? This one is going to be out there. Here it is:

"And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate."

This is the verse that is interpreted by mainstream teachers, that the "Anti-Christ" will confirm a covenant, or a treaty, with many, which will usher in a seven-year cataclysmic nuclear holocaust tribulation. **That is false.**

Let's consider the verse this way:

The LORD Jesus is the one who confirms the covenant for one week. How might our Lord confirm the covenant? A covenant is an agreement between two or more persons. What agreement has He made with us? He promised that, at the end of the age (2,000 year period), He would rule the earth and kick out the Beast and False Prophet! Well, how might He confirm this? Maybe...

THE GREAT AWAKENING OF HUMANITY????!!

I don't know about you, but I'm feeling that confirmation right about now! Seeing people all over the world rising up to destroy the New World Order, is no doubt a confirmation of His covenant promise to us!

But why does he "confirm the covenant with many for one week?" (seven years) Because He is now finishing what He started 2,000 years ago. Jesus was cut off before He finished celebrating Jubilee, setting the world free, thereby destroying the schemes of the controllers and their abuse of the people. So now He is finishing that week and will celebrate Jubilee, whether the cabal likes it or not!

At the time I am writing this, we are half-way through the

"week", the seven-year period that started on the Feast of Trumpets, which kicked off the worldwide Great Awakening. We are counting the Omer and we are only 10 days away from Pentecost/Jubilee 2020! Soon the NWO will be devastated, and our healing and restoration will take off like a rocket!

Now check the last part of verse 27.

"and in the midst of the week he shall cause the sacrifice and the oblation to cease,"

Do you know what that means? Before the Great Awakening, I had no idea about the horrifying ritual sacrifices and satanic worship going on underneath our feet. I thought this verse was talking about stopping the sacrifices and worship in Jerusalem, when the temple was destroyed in A.D. 70. But do you want to know what I think this verse is referring to? When is the "midst (middle) of the week"? Three and one half years. What happened three and a half years after the Great Awakening began at the Feast of Trumpets, October 2, 2017? The children in underground tunnels were rescued and the ritual sacrifices and satanic worship were stopped worldwide! With our President giving us clues like, "There is light at the end of the tunnel," we feel confident this is true! Our LORD Jesus *"caused the satanic sacrifice and oblation to cease!"* Praise the LORD!

We know the evil power of the cabal has been broken. Their empire is crumbling. And, guess what else. This verse tells exactly what the LORD will do to these evildoers. As verse 27 says,

"for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate."

In other words, because of the abject evil they have committed, God will pour out His wrath on the New World Order, and they will be made desolate... empty... destroyed... devastated.

This interpretation satisfies every part of the Daniel 9 prophecy and is also in alignment with Revelation and the other prophecies. It is confirmed by the Hebrew festivals. And of course, the

clarity of understanding is due to the Great Awakening and our wonderful Q Anon. Each day things will become clearer and future will prove past.

No doubt the LORD wants us to focus on "weeks" and Jubilees... and to CELEBRATE!

By the way, there is an entire ancient text called "The Book of Jubilees" in which the LORD tracks time in Jubilees. It's like counting history by 50's.

We're almost ready to dive into the Book of Revelation. Before we do, let's go over some helpful tips on understanding this complex, symbolic part of God's Word.
